Registration No. 25,173

CORRECTED TERMINAL DISCLAIMER

Sir:

Enclosed is a corrected Terminal Disclaimer to be filed in the record of the above-identified patent.

In the Office Action mailed March 8, 2004 in the above-identified application, claims 12, 13, 15, 16, 20 and 21 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 7 - 11 of U.S. Patent No. 6,525,758.

Appl. No. 10/616,197
U.S. Patent No. 6,856,339
Corrected Terminal Disclaimer letter of December 13, 2006

United States patent application Serial No.
10/616,197 which issued as U.S. Patent No. 6,856,339 is a
division of United States patent application Serial No.
09/745,042 which issued as U.S. Patent No. 6,624,839.

The Terminal Disclaimer filed July 12, 2004
inadvertently and incorrectly identified the patent from
which Patent No. 6,856,339 is terminally disclaimed as
U.S. Patent No. 6,624,839 instead of U.S. Patent No.
6,525,758 upon which the double patenting rejection was
based. The present Terminal Disclaimer corrects this
inadvertent error.

It is requested that the present Terminal Disclaimer
be entered into the record of U.S. Patent No. 6,856,339
to replace the Terminal Disclaimer filed July 12, 2004.

Please charge the fee of \$130.00 due for filing the
disclaimer under 37 C.F.R. § 1.20(d) to Deposit Account
16-2195.

Please charge any deficiency in the fee due, or
credit any surplus, to Deposit Account No. 16-2195.

Respectfully submitted,

Date: December 13, 2006
